**Wabash Roots'N'Que 2021
30 AMP or Larger Power Requirement**

We have a limited number of 30-50 amp spots available.

Should you need more than basic 15-20amp/110v power, your cable will need to plug in to a 50 amp/4 wire outlet or pigtail.

Please work with us to avoid the need of paying an electrician by the hour, and delaying your electric availability.

Please note configuration below.
